FOREWORD

The rich cultural heritage of our country, a source of pride and inspiration for all of us, has been a major focus of study during our years at Highland Park High School.

In our literature and history classes we have seen our country develop its democratic principles from the liberal thinking of great philosophers and from the practical policies of our early statesmen. Outstanding among these patriotic men was Thomas Jefferson, who symbolizes many of the noblest aspects of our colonial period. An ardent student of classical culture, he has helped pass to modern America the Greek and Roman influence in our government, our system of education, and even in our architecture.

The result of this influence was notable in the Southern States of our nation from the time of Jefferson until the War Between the States. History teaches us that the South at that time might very well be compared to the democratic, yet aristocratic, society of ancient Greece.

In The 1956 Highlander we have depicted a few scenes of life in the Old South as we *might* have seen them, together with some appropriate words of the ancient Greeks and Romans, as they *might* have commented on those scenes.

DEDICATION

Each year the senior class votes by secret ballot for the member of the faculty or staff to whom The Highlander will be dedicated. The seniors are asked to select someone who has been at Highland Park three years, and who has not received the dedication within ten years.

The man whom the seniors chose this year came to Highland Park from Hillsboro, Texas, in 1932 to teach mathematics. Since that time he has sponsored the mid-term class three times: in 1953, 1955, and again in 1956.

Because of your easy-going sense of humor and your interest in us, we the seniors of 1956 dedicate this Highlander to you, Harry Wisseman.

Dear Members of the Student Body:

The school year 1955-56 has been a memorable one for many reasons but the record of outstanding achievement by the Seniors who took the "Merit Examinations" is unsurpassed. This accomplishment would not have been possible without good teachers, fine homes, and an excellent community spirit.

One of the key ideals of American life is the belief that through education every individual may advance as far as his talents can carry him. It is the goal of your school that every one of you shall have the continued opportunity not only to develop your own capabilities but to grow in such basic and desirable attitudes that our country will be a finer place because of you.

We hope that as your school days continue you will come to feel that because you are a product of the American way of life, no obstacle - none whatever - can prevent your realizing the best that lies within you.

Sincerely yours,

Frank Monroe

Dear Members of the Student Body:

Most of you must be familiar with the assertion that "it means something to have a Highland Park diploma." You are undoubtedly expecting to obtain one of your own. When you do, it will be a tangible dividend received from the high school in which you hold part ownership.

I came to Highland Park because of its challenging possibilities. It is immeasurably gratifying to tell you that our high school today seems greater to me than the high school of my early imagination. This may be explained, perhaps, by the fact that so many members of the student body, faculty, and community have made maximum contributions, varied as to type and extent, but with a singleness of purpose.

It is my hope that as graduates you may be able to look upon your diploma with great pride, knowing that it certifies - even though the ink in this case is invisible - the importance of the contribution that you yourself have made.

Sincerely yours,

B. W. Wiseman

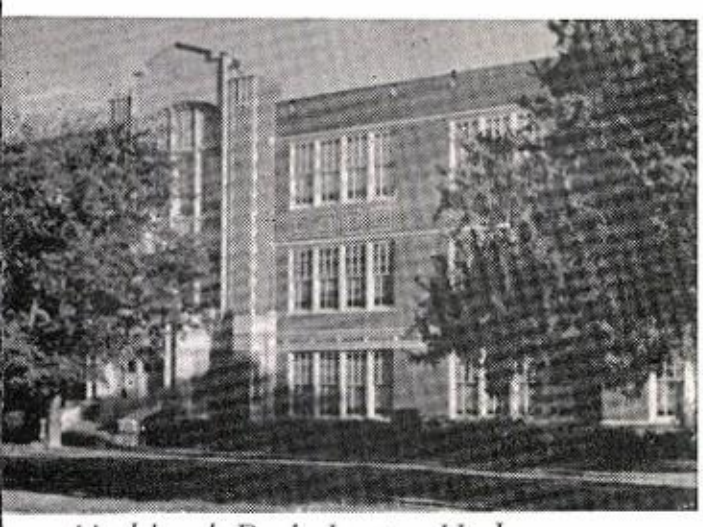
Then and Now . . . . . .



Highland Park Junior High

In 1877 when Highland Park's residential streets were rolling farm land, and Dallas was a small town on the banks of the Trinity, a little red schoolhouse on what is now Abbott Avenue served the educational needs of local residents.

The one-room school known as the Fairland School District No. 69 was replaced in 1910 by a two-room structure and was renamed Highland Park School District No. 69.

Land was donated in 1914 by Mrs. John S. Armstrong in honor of her late husband, and the school named for him was erected on Cornell and Byron. Two years later a second floor was added to the original four-room school. According to the first Highlander (1917) a faculty of ten directed a kindergarten, seven elementary grades, and two high school grades—total enrollment, 139.

Because of the rapid growth of the community, the north wing was added to Armstrong in 1924; and the seventh graders were moved over to the high school, erected on Normandy the preceding year. As the years passed and the townships of Highland Park and University Park grew, elementary schools were organized as needed: Bradfield, 1926; University Park, 1928; and Hyer, 1949. In the meantime, 1956-'57, the last three grades were moved to a new building on Emerson, the Highland Park High School; and the building on Normandy became the Highland Park Junior High School, drawing two lower grades from each of the elementary schools. At more or less regular intervals new floors and new wings were added to all the buildings, and the old Armstrong School, destroyed by fire in 1951, was replaced by an ultra-modern structure on the same grounds.

In 79 years the Highland Park School system has expanded from one room to six large, well-equipped buildings; from a handful of pupils to 4,974; from two teachers to three hundred, including administrators, teachers, and all other professional personnel; from a two-year high school in 1917 with 139 pupils and ten teachers to a four-year high school, the last three grades constituting the Senior High with 1,240 pupils and 68 classroom teachers. — GRACE GILLON, *Registrar*

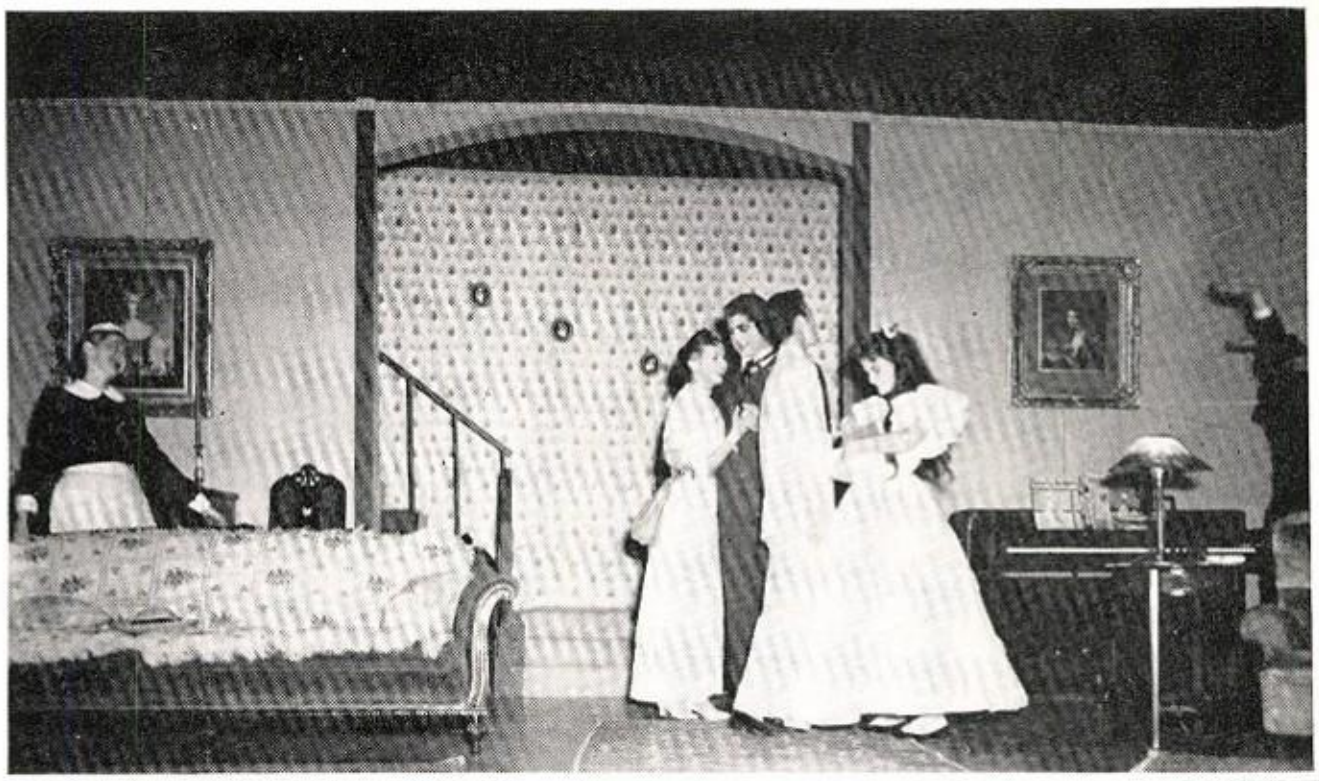
Sybil Wyche marches across the Hi Park stage one last time as she receives her diploma from Jack Corgan and Mr. Bowlby.

Buzz Bennett and Diane Wisdom seem to enjoy themselves at the dance following graduation.

Margaret Brown gladly shares her lei with Class Sponsor Mr. Wisseman.



"All's well that ends well" in the January Class' version of "Meet Me In St. Louis."

At one of the rehearsals Diane Laugenour watches intently as Jo Lynn, Diane Wisdom, and Richard Hermer go over a scene.

Diane Laugenour tries to explain herself to Jo Lynn, Diane Wisdom, and Richard Hermer.

SENIOR PLAY

'MEET ME IN ST. LOUIS'

The January graduates of 1956 made hard work pay off as they presented a rollicking rendition of "Meet Me in St. Louis."

Eighteen thespians and the back-stage crew, all under the direction of Mrs. Mary Crow, combined their talents to make the play a success. Starring as the two oldest girls of the Smith family were Diane Wisdom and Diane Laugenour while Mike Bennett and Richard Hermer captured the male leads of Lon, the 19-year-old brother, and Mr. Smith.

Dear Linda,
Well, here we are at the end of another school year. As usual, it's been great knowing you and you've been a wonderful friend. Linda always stay as sweet and wonderful as you are now and you will have many friends and always be popular. Best of Luck in everything you do. Because, Linda, you deserve only the very best.
God Bless you always!
Carolyn

1956 HIGHLANDER MUSIC FESTIVAL

'Lest We Forget'

Gathering in Dallas April 13 and 14 for the Eighth Highlander Music Festival were three thousand high school musicians from four states.

The entire festival, under the direction of Miss Flora Lee Pope, has gained national recognition for creating and sustaining interest in music education.

Sylvia Oliphant, the Hi Park queen, was crowned sovereign of the festival at the pageant on Friday night when visiting queens, bands, and choruses entertained. The Scot royalty included Ann Collins, Beverly Gratigny, Donna Harris, and Nancy Beth Johnson.

Climaxing the festival Saturday night was a mass concert with all school music organizations participating.

Lads and Lassies members practice before the festival begins.

Student Director Bill Browning rehearses Hi Park's orchestra.

Princess Nancy Beth Johnson describes her pageant dress to Princesses Beverly Gratigny, Donna Harris, Ann Collins, and Queen Sylvia Oliphant.

Presidency of the Texas Association of Student Councils was the crowning achievement of the Hi Park Student Council of 1955-'56. As a result of this election, next year's convention will be masterminded by Hi Park.

The Powder Bowl game and queenship of the Golden Avalanche were placed firmly in the long line of Scot traditions.

Big business ventures worthy of Wall Street included the sale of football ribbons, plastic megaphones, and Clans, while the support of two French orphans held top spot on the Council's year-round agenda.

The Student Council-sponsored Christmas formal and Junior-Senior Prom added a touch of spice to a year packed to the hilt with business activities.

THE NATIONAL HONOR SOCIETY

Honor Day Focuses On NHS Award

The presentation of the National Honor Society Blanket Award to the outstanding boy and girl of the senior class climaxes the honor day assembly each semester.

Serving solely as an honorary organization at Hi Park, the club's only duty is to provide ushers for graduation activities.

The "cream of the crop" comprises the membership list of the National Honor Society; for the members are elected by the faculty on the basis of leadership, scholarship, service, and character.

HI-LITES

Femme Membership Smashes Records

Ninety-eight per cent was the magic number this year as Hi-Lite membership soared to an all-time high.

While some Hi-Lites acted as junior nurses in a Red Cross program at St. Paul's Hospital, welfare committee workers turned their eyes "South of the Border" and took milk and cookies to small children at the Mexican Mission.

These were only two facets of Hi-Lite work. In the social field the year began in September with the little sister picnic and followed on with a mother-daughter tea, a Farmer's Fling dance, and a spring formal.

Hi-Lite meetings on Tuesdays featured everything from style shows to ballet worthy of Sadler Wells. Working in close contact with all club activities, the publicity committee promoted special events with posters and announcements.

HI-Y

Wonderland and Washington

With the presentation of officers at the spring George Washington dance, the Hi-Y rounded out its year of activity.

This year centered around a variety of programs including movies, plays, talent shows and vocational talks; but the highlights of the year were Religious Emphasis Week, co-sponsored with Hi-Lites, and the two dances —the Winter Wonderland semi-formal and the George Washington spring dance.

In order "to create and maintain throughout the school and community higher standards of Christian character," the Hi-Y is open to and encourages the membership of every Highland Park boy.

"I do pledge myself to live up to the ideals of true journalism and to be impartial in my interpretation of truth . . ."

With these words members are initiated into Quill and Scroll.

Chosen from the Bagpipe and the Highlander staffs, members must have done outstanding work on a publication, rank scholastically in the upper third of their class, and have at least a junior standing.

Under the sponsorship of Mrs. Jeanne Rousseau the international honorary society worked to make itself and its purpose known throughout the school. Chapter members initiated a plan of sending invitations to newly-elected members and announcing graduating members at the senior honor assembly.

THE ROUND TABLE

Pros and Cons

Tongues are "a buzz" every Tuesday afternoon when the Round Table meets to discuss various school, social, literary, and political problems of the day.

Composed of about twenty students, the group spends a vigorous hour exchanging ideas, analyzing situations, and forming opinions.

Members spend time beforehand doing research work to gather the facts to back their stands. Then as a problem is tossed back and forth, they can think the question through, pooling their facts and ideas.

The unanswered questions and doubts which arise from a discussion spur students on to wider reading and a more comprehensive understanding of the problem.

THE ART CLUB

Paint Plus Paper Equals Production

Paint brushes and sketch pads are the order of the day when the Art Club meets on Tuesday afternoon. Working in various media such as water color, pastels, and tempera paint, members have an opportunity to develop their special interests. The artists are also behind the scenes of various school productions.

Club officers and committees are chosen early in the semester. The exhibit committee is in charge of decorating the display cases with work done by the art classes. The public relations committee makes arrangements for the different outside appearances, and the social committee plans the annual spring and fall picnics.

THE DRAMATICS CLUB

'Curses, Foiled Again'

Blood-curdling shrieks, romantic sighs, and villainous laughs coming from the small auditorium are sure signs that the Dramatics Club is hard at work.

The membership limit is twenty students of drama, and new members are admitted after tryouts consisting of a pantomime, a dramatic selection, and a dialogue. Before becoming a full-fledged member, a prospective thespian must go through an eight-week proving period.

Meetings held once a month alternate business and programs. It's not all work and no play, however, for each semester members stage a picnic, trading the spotlight for sandwiches.

"Attention, class" will be everyday words for members of the Future Teachers' Club when they attain their vocational goal—a teaching degree.

Through films and group discussion, members learn the qualifications, both personal and professional, the opportunities and the advantages offered in the field of education.

As a project this year, a chart was made to compare the working hours, salaries, and vacation time of a teacher, a model, an airline hostess, a nurse, and a secretary.

Under the guidance of Miss Hortense Watkins, sponsor, the Future Teachers functions as a study club weighing the pros and cons of a life of service to the nation.

THE LIBRARY COUNCIL

Card Catalogues And Cooperation

To put students on "reading terms" with the library—this is the goal set up by members of the Library Council.

Through artistic bulletin board displays the Library Council works to create interest in books and in reading. Members spend their study hall periods working behind the desk in the library, checking out, sorting, and arranging books.

The Library Council was organized and chartered in 1952 and became affiliated with the State Library Association in the same year. A district meeting held last fall at SMU featured talks and exchanging of ideas.

THE ORCHESTRA

Blue Tango To Hey Mambo!

From the lilting strains of "Blue Tango" to the savage beat of "Mambo Italiano" . . .

A variety of musical programs was staged this year by Hi Park's sixty-piece orchestra. Long hours of individual and group practice by the members were climaxed this spring when orchestra members played host to ten other high school orchestras during the Highlander Music Festival.

In February individual students took honors by playing with the All-State and the Texas Music Educators' Association's Orchestras.

A busy orchestra schedule closed with the annual spring banquet honoring graduating members.

LADS AND LASSIES

'Say It With Music'

There's "music in the air" as the Lads and Lassies, a mixed choir, under the direction of Miss Flora Lee Pope, blend their talents in song.

Unofficial good will ambassadors for Hi Park, the choir sang at numerous social and service organizations' meetings this year. Their crowded schedule varied from participation in the Music Festival to a trip to TCU with the orchestra.

Although the members consider their programs and daily practices anything but work, they wound up a full year of melodic presentations with the spring banquet to balance their programs.

A sandy beach in Hawaii, a tulip field in Holland, a steepled church in England—these scenes passed before the eyes of Travel Club members at their meetings once a month.

Highlights of the year were movies and talks on Bermuda, Cuba, Guatemala, and Holland. This year the armchair travelers added a new angle to the club—membership was opened to boys. Under the direction of Mrs. Willene Cockrell, sponsor, the club also participated in welfare work.

Colorful pages in Texas history came alive for the Junior Historical Society at its monthly meetings. A series of programs on the history, development, and present organization of welfare work in Texas highlighted the year.

An outstanding club project was the recognition of Highland Park graduates who had won fame in their respective fields. Each famous ex-Scot, chosen by Sponsor Mrs. Willene Cockrell and her committee, was featured in photograph displays and in the Bagpipe column, "Cream of the Clan."

Philatelists Mix Glue, Gab

The school stamp album in the library and a display case on the second floor have managed to keep Hi Park's new Stamp Club busy this year.

The philatelists assembled at least once a month in the library and several times during the year had call meetings in a member's home. The meetings at school were devoted to the school stamp album, while the call meetings were spent in trading stamps and talk.

Just as in most clubs, the members of the Stamp Club and their dates enjoyed a spring and a fall party.

SCOT CHEERLEADERS

'Who Are the Scots?'

Planning pep rallies, decorating goal posts, playing hosts to visiting teams, and learning new yells— all these jobs take up a great deal of the time of Hi Park's active Scot cheerleaders.

The average student does not realize how much "behind the scenes" work there is to leading yells. A cheerleader's biggest job is to build up the enthusiasm and spirit of the Hi Park Student Body. One thing stands out above all others—these cheerleaders are shining examples of true "Scot Spirit."

Cheerleaders Allen Henderson, Ann Collins, Gordon Holloway, Head Cheerleader Medora Doherty, John Rogers, and Suzy Harmon lead the football team into one of the pep rallies.

The Sporting Scene

(Courtesy Gainesville Register)

A smooth backfield guided by Bill Kennedy coupled with the elusive running of Don Singleton, Harry Gear, and Bill Novak led the 1955 Scots to a successful 6-4 season.

With two of their losses coming from top teams in the state AAAA circuit, Highland Park took third place in its own 5AAAA district.

After bowing to Abilene, state champs, in the season's opener, the Blue-and Gold overcame a series of mistakes to defeat North Dallas the following week.

Mark Rubin gained honors as Lineman of the Week as he and Lee Griffin paced the Scots to victory over South Oak Cliff.

A well-oiled Scot machine sparked by the dazzling sprints of Johnny Florer clicked past Gainesville before an estimated crowd of three thousand.

After falling to a fine Arlington Heights team, the Blue-and-Gold roared back to upset a highly rated Paschal team behind the stout defensive play of Phil Woods and Jackie Sides.

Led by Butch Thompson, the Scots rambled past Austin in the first district game, and then issued a loss to the defending champs, Waco, with John Rumley and Bill Elkins out in front.

Although they dropped the last two district games to Tyler and Wichita Falls, the 1955 Scots made a good showing and earned the respect of teams wherever they played.

Scot Basketball '56

Close team play and fine coaching paced the 1955-'56 Scots to one of their most successful seasons in the last three years.

After a slow start against Fort Worth Poly, Greenville and Pleasant Grove, the Scots came roaring back to take third place in the Waco Tournament by defeating the pre-tourney favorites McCallum of Austin and Waco; Captain Larry Gibbs received all-tourney team honors. The Scots then journeyed to Abilene where, sparked by Harold Peek and Steve Strange, they took one game of a double-header.

Next, after a first game setback to Handley, the Scots seemed to hit their stride and with the consistent scoring of Jim Beakey and Walt Lightbourn went on to gain second place in the consolation of the Dr. Pepper Tournament, which was the best achievement by any Scot team in several years.

The Scots, behind Bill Elkins, then avenged an early season loss by blasting Greenville. In the first game of the district play the Avalanche dropped a two point overtime thriller to Tyler. The Blue then came back with a streak of two victories over Wichita Falls and Pleasant Grove with Bill Kennedy leading the way.

The Scots fell prey to their next five district foes but sparked by Dick Mullen managed to end the season on a bright note by trampling Austin to finish fourth in the 5AAAA district with ten victories for the season.

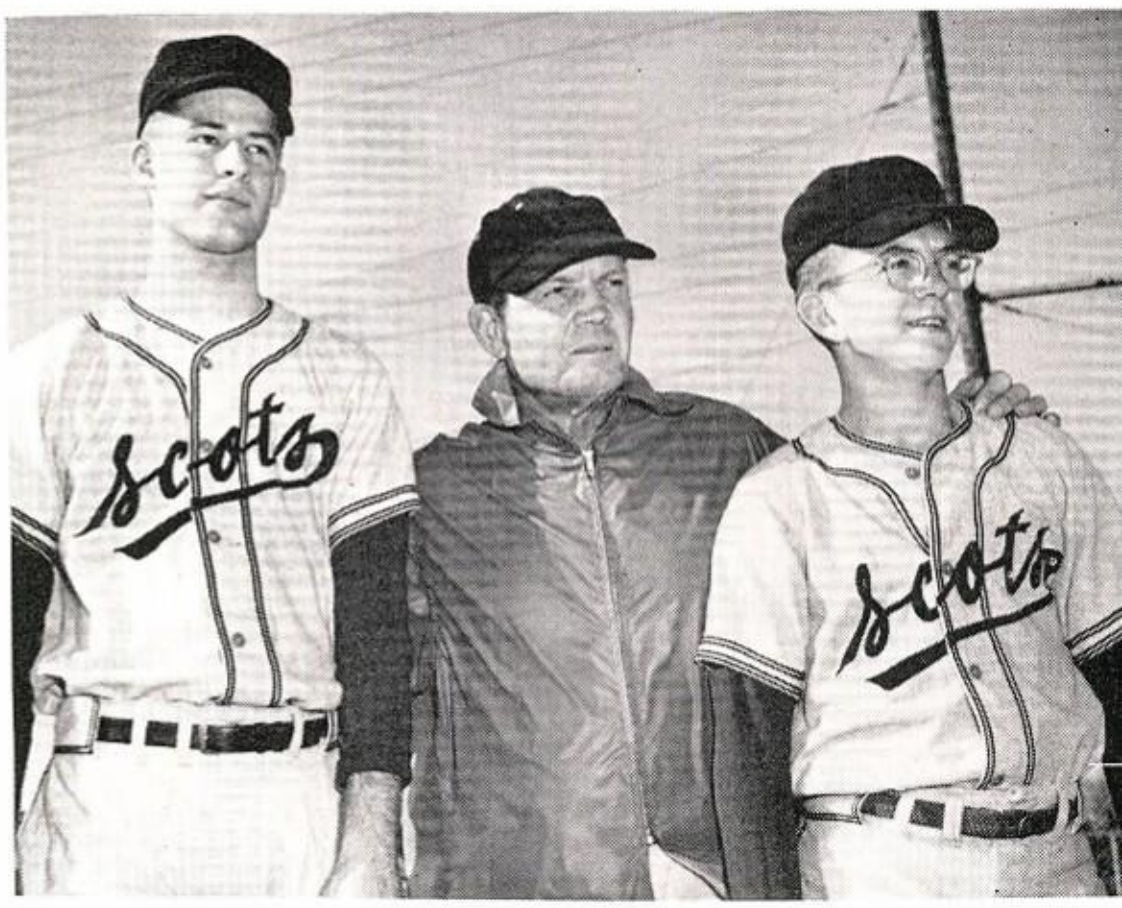
Coach Kennedy, center, and Co-Captains Bob Dickson and Bob Rea watch as the Scots warm up before a district game.



By defeating Grand Prairie in the torrid 8-AA district, the Scots battled their way into the state play-offs.

Scot moundsmen Mike Collins, Robert Dickson, Bill Kennedy, and Bob Reed hurled spectacularly to hold down the district opposition.

Scottie hitters led by Bob Rea, Don Bianchi, Larry Gibbs, Jack Collins, and Tom Luce paced the Highlanders through district play.

With the steady support of Dick Mullen, Harold Peek, and Reed Johnson, the Scots hope to capture the state championship.

Track

Scot trackmen out-ran a highly touted Sunset team to capture the Region Three title and send eight boys to the state meet in Austin.

With the title hanging on the outcome of the mile relay, Scot fans watched anchor-man Stinson Jones streak neck and neck with North Dallas' Giddens to a dead heat giving Hi Park the needed points. The mile relay team composed of Reynolds, Gear, Tankersley, and Jones took a berth in the state meet.

Hurdler Tankersley also gained a place in the state meet by taking a first in the 120-yard high hurdles over Waco's Tom Patterson.

880-Men Bill Curry, Eddie Mahon, and Pete Rosoff.

Dashmen Charles Hayman and John Florer added their names to the Austin-bound list as they placed first and second in the 100 ahead of Sunset's Jerry Tacker.

Hayman caught his breath and came back to wrap up a first in the 220, and Stinson Jones countered with a first in the 440 for the Scotties.

The only field man on the Blue and Gold to make the journey to Austin was Bill Novak, who placed second in the shot in regional.

The sprint relay team composed of Reynolds, Gear, Boren, and Hayman finished a close second to round out the eight-man state-bound team which is the largest number of boys for the Scots in several years.

Golf

The Highlander Golf teams, led by its low-scoring captain, Don Mann, made an outstanding record this past year. The golfers demonstrated the traditional Scot spirit and enthusiasm in all their matches and proved themselves able representatives of our school.

The Scot team consisting of Don Mann, Graham Guerriero, Mac Strother, and Mike Kuhlman, placed second in district play and were nudged out of second by three strokes in the regional meet to end a fine season.

Scot Tennis

Coach Raymond Akin's tennis team pounded out an impressive record this year. The Scots started by placing second in the Wichita Falls Tournament with Eddie Sledge leading the way as he captured the boys' singles title.

The high flying Scots blazed through district to capture three of the four titles. They then smashed their way through regional with a repeat in all three departments.

Bobbie Coe, Eddie Sledge, and Pete Winstead made the trip to Austin to compete in the State Tournament.

State champs for three consecutive years!

The Scot tankers led by All-Americans Dick Rantzow and Don Woodward nudged Reagan of Houston by a score of 40-39 in the state swimming meet at College Station early in April.

The splashers under Tri-Captains Bill Pulley, Dick Rantzow, and Don Woodward had faced the Reagan team earlier in the season and had been defeated.

Pre-season wins paved the way to victory in the state meet. Six seniors, Paul Atkinson, Lee Griffin, David Hodgdon, Bill Pulley, Dick Rantzow, and Don Woodward, closed out brilliant high school careers; Griffin is a two-year diving champion, while Woodward holds three of the eight state titles.

Linda —

I have really enjoyed knowing you this year. Thanks ever so much for being the darling little person you are and for being so understanding when I had certain problems. You're one of the sweetest and cutest girls I know. I hope that you will have another two years that have been as much fun for you as this one has. Best of luck always and may God be with you in everything you do.

as ever,
Tommy Brown

GIRLS' SPORTS

GIRLS' GYM PROGRAM

Basketball and Do-Si-Do

Active Scot lasses mixed liberally with tenniquoit rings, basketballs, square dance music, badminton racquets, and softball bats are the ingredients of a well-rounded girls' gym program at Hi Park.

Fall activities lead off with alternation tournaments of tenniquoits and speedball, a feminine combination of football, basketball, and soccer. Next on the agenda are four weeks of exercises, designed to aid good posture and co-ordination. Though "so sore" at first, the girls soon become well co-ordinated, responding with perfect timing to the one-two-three beat of the tom-tom. Basketball holds sway during the winter months—and in this game things get "plenty hot" defying the temperature outside.

Volleyball (termed "the game the girls play best" by Miss Murchison and Miss Watson) comes in with the spring semester. "Swing your partner" music echoes through the gym in March as square dancing begins. With the same partners for the entire time, the girls dance to records with calls. A session of softball ends the gym year. Badminton is played inside while four of the teams trek to the diamonds with ball and bat.

Outstanding players are recognized at the end of each sport when an all-star team is chosen in each gym class. These top-notch teams then battle each other for the all-star championship.

An added attraction in the girls' sports department is the intramural program. Open to all interested girls, intramural activity consists of after-school games played in either the Monday-Wednesday or Tuesday-Thursday leagues. Girls organize as teams to play tenniquoits, basketball, volleyball, and softball, while they enter individually or as pairs for ping-pong and badminton. Participants in every sport, with no more than one absence per sport, receive a coveted intramural medal. Winning team members in each sport are invited to the annual spring sports luncheon.

Cadet Col. Cervin receives his commission.

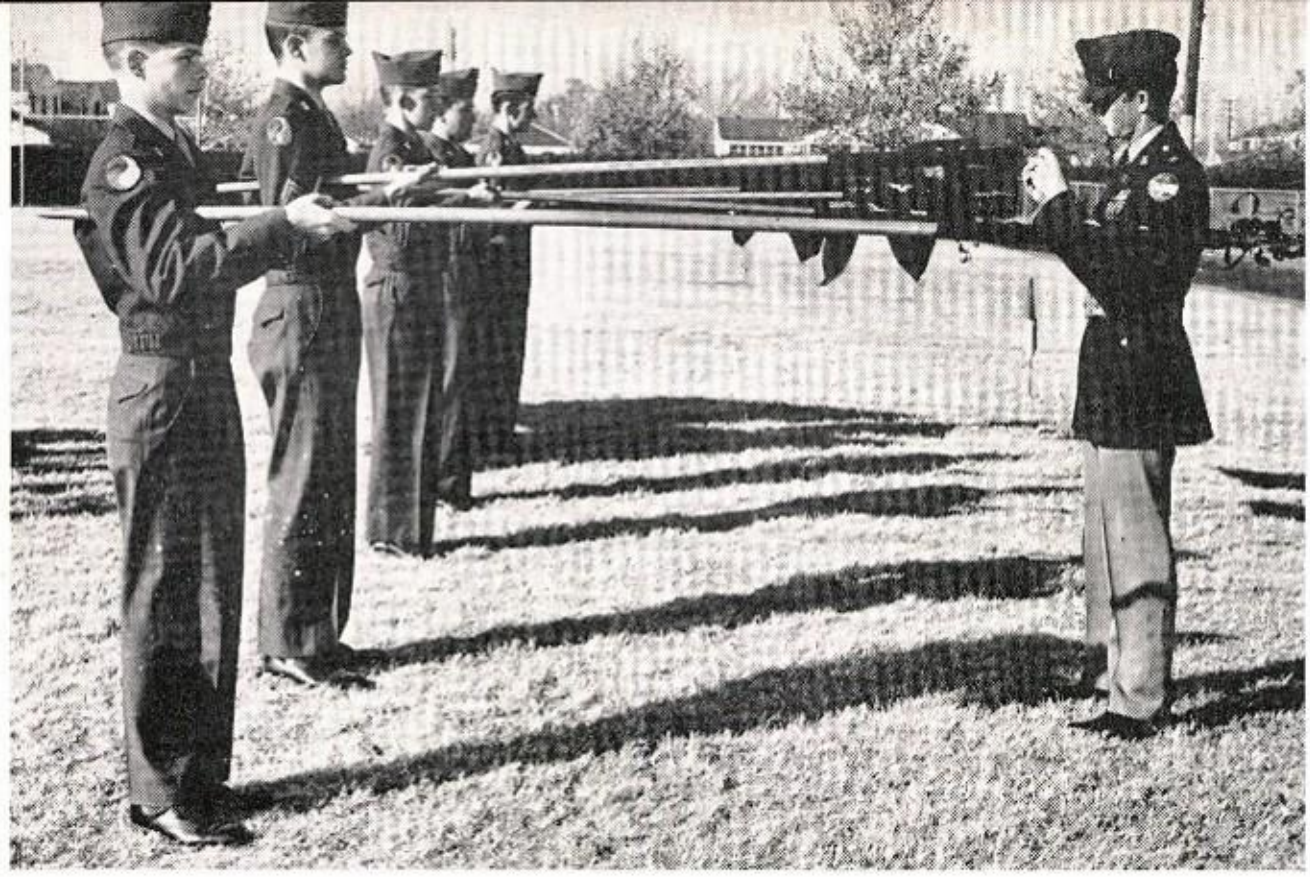
Through the Reserve Officers Training Corps, Hi Park boys have an opportunity to gain a knowledge of useful citizenship principles while at the same time they receive basic military training.

The entire ROTC program at Hi Park is guided by Commander Floyd R. Hightower, Commandant of Cadets, and Major Newman F. Casey, Assistant Commandant of Cadets, both of whom represent the regular armed forces of the United States.

To develop particular military skills, cadets may try out for the Drill Team and Rifle Team. Members of these teams exhibit top military precision and skill, attained through supervised practice. All commissioned officers may become members of the Saber Club.

This year, as in all past years, the Corps had a group of boys at Camp Dallas. This summer camp is managed by cadets in a typical army manner.

In addition to the everyday school routine of instruction in military procedure, cadets, headed by cadet officers, usher at Cotton Bowl football games and prepare for both regular and official inspections.



All's ready for the Officers' parade.

Spring Regimental Commander Fred Dick receives his commission.

Colonel Fred Dick leads the discussion in the Tuesday morning officers' school.

LOYALTY

IF—you work for a man, in heaven's name work for him; speak well of him and stand by the institution he represents.

REMEMBER—an ounce of loyalty is worth a pound of cleverness.

IF—you must growl, condemn, and eternally find fault, why—resign your position and when you are on the outside, damn to your heart's content, but as long as you are a part of the institution, do not condemn it, if you do, the first high wind that comes along will blow you away and probably you will never know why.

Linda,

Well I want to say first "Myrtle the Turtle" is fine - You know you are one of the few people Myrtle really loves - and I see why - I want you to come see us when you are in Texas next time - I would love it if you all would come see me - I hate to leave you all but I know you all will be busy and so much fun - I'm sure you will miss us all - But I hope you have as much fun next year as I did my Junior year - Good luck!

Love Always,
Murph

Linda,
you are one of the most adorable girls in school you've made such a hit as a sophmore I know you'll really go far in your next two years. Just stay as cute and sweet as you are

Linda – Even if you are a Sophmore you'll be a jinior next year, and a darling one at that. We've had so much fun this year and I know we'll have even more fun next year. Can't wait until then!

Love ya,
Diane

Dear Linda,
I have never been so proud to have anyone as a friend as I have you. It has been wonderful knowing you. Please stay as sweet always as you are now.
Love ya' loads,
Gale Howell

Linda,
Thanks for being a doll. Lots of luck in our coming years.
